The screenshot displays the 'Products' management interface. On the left, the 'Org Management' menu is expanded, and 'Products' is selected. The main content area shows a table of products. The table has columns for ID, Title, Created At, Updated At, and Action. A dropdown menu is open for the 'Action' column of the first product (ID 1, Title LMS). The dropdown menu contains the following options: Edit, Remove, Assign Members, Create KPI, Assign KPIs, Order KPIs, and Assign Bitbucket Repositories. The 'Assign Bitbucket Repositories' option is highlighted with a red box. The table also shows other products like C-Pay, LeadXera, C-Kids, C-Inspire, C-Smarter, EduMalls, C-Reality, AI & DS (X-SERA), and Cyber Security & Technical Support.
